The Eastern Pennsylvania Coalition for Abandoned Mine Reclamation (EPCAMR) is proud to be celebrating its 30th anniversary in 2026! You can join us in marking this important milestone and further support EPCAMR activities by becoming a sponsor for the organization’s anniversary banquet slated for Saturday, September 19, 2026. The event will be held at the Sand Springs Country Club in Drums, PA.

Established in 1996, EPCAMR’s mission is to encourage the reclamation and redevelopment of land affected by past mining practices. This includes reducing hazards to health and safety, eliminating soil erosion, improving water quality, and returning land affected by past mining practices to productive use, thereby improving the economy of the region.

Over the past three decades, EPCAMR has successfully fulfilled its mission and impacted the region’s communities by, among other activities, removing large coal refuse piles from the landscape, launching and/or supporting more than 45 watershed groups, monitoring dozens of passive treatment systems to reduce water pollution, scanning 20,000 paper coal mine maps, conducting trash cleanups, and offering environmental (STEM) education programs at schools and other venues.

While we are grateful for our accomplishments over the last 30 years, much work remains to address the lasting environmental impacts of historic coal mining practices. Your support and contribution would have a direct and measurable impact:

- **\$200** pays for two pairs of waders for use in waterways during sampling and other fieldwork
- **\$500** funds the purchase of a microscope and slides for EPCAMR’s environmental education presentations at local schools and community events
- **\$1,000** funds the costs of 2 AmeriCorps administrative fees for a 10-week volunteer service term
- **\$2,500** allows EPCAMR to pay for the proper recycling of 500 tires collected during its illegal dumpsite cleanups
- **\$20,000** enables EPCAMR to start an organizational endowment fund to serve in future years as a dependable stream of income for its continued operation and long-term stability

To learn more about EPCAMR and its work, visit its website [www.epcamr.org](http://www.epcamr.org) and social media channels. We hope you will take this unique opportunity to help support our mission and celebrate our 30th anniversary. The various sponsorship levels for the anniversary banquet are listed on the next page. All businesses supporting EPCAMR will be recognized at the event.

Checks can be made payable to: EPCAMR, 101 South Main Street, Ashley, PA 18706. Credit cards are also accepted via EPCAMR’s [website](http://www.epcamr.org).

Thank you for your consideration and for helping to encourage the reclamation and redevelopment of land affected by past mining practices.
